

AQAR REPORT FOR THE YEAR 2007 – 08

PART – A

The Plan of action and outcome at the end of the year 2007-08.

The College Development Committee IQAC had chalked out the following plans for the year 2007-08.

- To sponsor the education of more number of under privileged students who seek admission in our institution.
- To organize health connected programmes for our students.
- To make the students to present assignments on all subjects.
- To conduct subject-wise, class-wise seminars by the respective teachers.
- To increase counseling facilities.
- To encourage innovative and new teaching methodologies.
- More efforts towards better results.
- To increase Library facilities.

The following were the outcome at the end of the year 2007-08.

- Teachers along with some philanthropists sponsored fees of some of the underprivileged students.
- Shanthi Service Forum conducted “General health Check-up Camp” for the students, teachers and administrative staff.
- All the departments made students submit assignments on subject-related topics.
- Each department conducted class room seminars and teachers guided students in their reference work.
- After the class work and during intervals needy students were provided counseling services.

- Guest lectures followed by interactive sessions were organised subject-wise to enhance subject knowledge of the students.
- Teachers made use of OHP's and also complimented their teaching by power point presentations.
- Library books and services were increased for the students.

PART – B

1. Activities reflecting the goals and objectives.

The institution plans various activities for the overall development of the students focusing on imparting value based education.

- Cultural and literary intra-college competitions are conducted to provide a platform for the students to show-case their varied talents.
- Sports activities are also conducted. Sports girls are given special coaching to participate in inter-collegiate and state level events.
- Slow learners are given counseling and assisted to overcome their academic problems.

2. New Academic Programmes initiated (UG & PG)

With the objective of maintaining quality education, the institution has made efforts for introducing new academic reforms for improving the students results.

- Students were counseled for better performance in academics.
- Teachers were encouraged to attend works/seminars/conferences to update their knowledge
- Guest lectures were organized in respective subjects.

3. Innovation in Curricular Design and Transaction

Our college cannot take independent innovations in curricular design as it is affiliated to the Bangalore University. Innovative teaching methodologies are practiced department wise by the respective teachers. Giving assignments conducting classroom seminars, group discussions, quiz, etc., are in practice. Guest lectures followed by interactive are also organized to improve the knowledge of the students.

4. Inter Disciplinary program started.
