

VAASTU COURSE CONTENT

1. Vastushastra is an age old Indian practice which is now practiced globally too, with the main aim of bringing in the positive elements of peace, harmony and prosperity into the Designs. The Designs could be for Commercial or private spaces.
2. We are offering a 3 day course covering the basic Vaastu concepts & Ancient practices in the construction & building field.
3. This course would give an individual the insight into an ancient science and the method of implementing Vaastu into existing buildings.
4. Individuals will be taught the principles of designing with Vaastu while planning new homes.
5. The Individuals will also learn how to incorporate Vaastu concepts into the Landscape Elements.

Case studies of Completed and Live projects will be reviewed.

The fee for the course is 3000 Rupees.

The Individual will be given a Certificate of Attendance of Vaastu session from our firm and also a printed manual will be given.
